

Key developments and updates for the LPC Meeting 3.5.17
Caroline Hayward Professional Development Pharmacist

North Lincolnshire:

Varenicline via PGD service: (5 pharmacies already delivering the service following the first event in October 2016))

- Contract extended to 31.8.17 to coincide with Solutions4health contract end with NL council
- Second Training event for North Lincolnshire Varenicline service delivered on 4.4.17.
 - 11 additional pharmacists trained
 - 7 additional pharmacies trained up to deliver the service

Sexual health service:

- Pharmacy contract with Virgincare extended to 30.9.17
- Further meeting with North Lincolnshire council re sexual health service: intention to commission directly with ALL pharmacies and introduce an equivalent service to that which runs in North East Lincolnshire to include EHC (Levonorgestrel and Ulipristal acetate) and chlamydia screening.
- Future NL Council vision: HIV testing to be added to the pharmacy sexual health service.
- NL Sexual health contract out to tender. Tender submission date 5.5.17, evaluation of tenders by council 22.5.17
- New DPH starting at NL council on 10.5.17 Penny Spring (previously in Northumberland)

North Lincolnshire Breast Feeding Campaign:

- Council want all branches of health to work on the campaign
- Event to be delivered to pharmacies which covers key breast feeding messages

NHS Healthchecks:

- Council want to fund 5 pharmacies in a specific geographical area to provide NHS Healthchecks: each of the 5 pharmacies has been contacted to see if they are interested.
- Council will provide all equipment and training

North Lincolnshire CCG:

- Meeting with Peter Waddingham
 - CCG Interested in working with Pharmacy
 - Details of respiratory project, AF and hypertension initiatives shared with Peter. CCG keen to develop AF/ hypertension initiatives
 - LPC Invited to attend CCG clinical meetings on: 18th May (Cardiology), 25th (Gastro) and 1st June (Respiratory).

British Lung foundation:

- Keen to support any respiratory initiatives we introduce and to provide some materials (particularly COPD resources)
- Agreed to support HLP pharmacies with resources
- Offered to provide training workshops to pharmacies

Hull CHCP Sexual health:

- Original contract extended for a further month to 30.4.17 by contract variation.
- New contract offered to pharmacies: starts 1.5.17
 - Minor fee increase from £11.50 to £11.52
 - New PGDs written and awaiting final sign off: to be introduced across all of CHCPs EHC services this year including pharmacy and will include changes based on the latest FSRH guidance published in March 17. Clinical decision tree will change and additional off-licence provisions will be introduced into the service.
