

CPPE April 2025 Yorkshire & Humber

Core Workshops

Free of charge to all registered pharmacy professionals, including pharmacy technicians and trainee pharmacists. For details and dates of all workshops please scan the QR code ABOVE or go to [workshop listing : CPPE](#) A few highlights...

- [NHS Pharmacy First: Clinical assessment and examination skills full-day](#) **face to face workshop - GP supported day with an opportunity to practice "hands-on" ENT examination** skills (pharmacists and trainee pharmacists only). Monday 28th April 9:30am to 5pm at John Charles Centre for Sport Leeds LS11 5DJ *last few places*
- **Are you one of only a few pharmacy technicians working for your organisation?** Would you like the opportunity to take part in an online pharmacy technician ONLY workshop – you will be supported to develop a deeper understanding of how reflection can help you move from reflection to action to make the most of your skills to support your team and people using your services. Pharmacy technicians have told us that this workshop has helped them feel they are “not alone” and that they have “enjoyed learning about other people’s roles”. Friendships and peer support networks have started here -find a date that works for you here: [Reflective practice online workshop](#)
- NEW [Type 2 diabetes: supporting people better online workshop](#) -a great chance to feel more confident and find new ways to have supportive conversations with people living with or newly diagnosed with Type 2 Diabetes.
- NEW [Asthma: Optimising adherence to medicines online workshop](#) -understand more about why people don't take their asthma medication and use shared decision making to find a way forward for them.
- **NHS Pharmacy Contraception Service: delivering effective consultations to initiate contraception face to face** workshop Leeds [Sunday 6th July 10am to 12noon Weetwood Hall LS16 5PS](#)

What's new

- [NHS Pharmacy Contraception service \(PCS\) - panel discussion](#) **webinar – to answer all your questions –** you can attend this even if you have not attended the face to face workshop.
- [Pharmacy Conversations](#) **CPPE podcast series -latest episode “Building well-being and resilience in pharmacy”**
- [Pharmacy technicians: using patient group directions in practice : CPPE](#) **e-course**
