

CPPE December 2025

Yorkshire, Humber & North East

Leadership and Career development

- [Leading for change : CPPE](#) A **fully funded** 6-month leadership programme which is open to all registered pharmacy professionals who are in patient-facing roles and/or who provide NHS services in England who have responsibility for leading a team or leading services within their organisation. Including pharmacists, pharmacy technicians working in community pharmacy, armed forces, health and justice as well as those in primary and secondary care **applications for January cohort open now**
- [The Chief Pharmaceutical officer's Pharmacy leaders development programme](#) online applications for cohort 11 are open now. The closing date will be midday on Monday 12th January 2026. NHSE and CPPE are hosting an information webinar about the programme on Thursday 18th December 1-2pm. See website for further details.
- [Pharmacy technician development programme: preparing for the future](#) Pharmacy Technicians from all areas of practice will be supported by a dedicated Education Supervisor to create a personalised learning plan and access a range of learning resources including a self-directed e-course and choice of workshops. Build confidence in clinical therapeutics, consultation skills, clinical assessment skills and decision making. It will also help develop shared decision-making principles, reflect on practice and prepare to take on an expanded role in service delivery.
- [Preparing to train as an independent prescriber : CPPE](#) workshop and e-course and support to get you ready for your NMP course.
- [Extending scope of prescribing](#) are you an independent prescriber looking to safely broaden your practice? This blended learning pathway is available to book now.
- [Accuracy checking pharmacy technician](#) programme (limited fully funded places available)
- [Advancing your practice in education programme: CPPE](#)
