East Riding of Yorkshire to replace EHC service:

15. Agreement to implement new services as follows to support PCS EHC:
 - a. C-Card service
 - b. STI test kit provision
 - c. Condom provision with PCS EHC
16. Work in progress to develop this.
17. Current service will continue in the interim: clients who will benefit from the provision of condoms should be treated through local service. All other clients should migrate to national PCS EHC service.

Hull: To replace EHC service:

CHCP have agreed to consider new services:

- a. C-Card service
- b. STI kit provision.

Exploratory work underway at present to determine feasibility and how the pharmacy offer will integrate with current local arrangements.

NALOXONE SUPPLY: TAKE HOME SERVICE

Development of Naloxone supply service across Hull.

18. Final stages of developing a pilot service for trial through one of the current NX sites.
19. Fees under discussion to reach agreement.
20. Initial model will be provision of Naloxone kits through existing Needle exchange sites with further expansion of service to include stand-alone service for additional pharmacies later once impact of pilot has been determined and value of service / expansion considered.

MEDICATION SHORTAGES

Medication shortages service analysis:

- a. Data up to end of October has been collated; initial findings in my preliminary report.
- b. Survey created and shared with pharmacies.
- c. Survey created and shared with GP practices (Andre?).

To explore:

- i. Usefulness / ease of use.
- ii. Potential time saved in the pharmacy and in GP practice.
- iii. Popularity and acceptance by pharmacies and GP practices.
- iv. Effectiveness.
- v. Feasibility of expansion to larger area.

Once the surveys are received an analysis of the platform will be shared to determine its value and whether expansion is warranted.

<p>11.</p>	<p>Winter season 2025/26</p> <p>Incorrect communications have now been rectified.</p> <p>Each area is seeing a different take up of vaccinations for both Covid and Flu. Availability still ok.</p> <p>More advice is being sought for Cold and Flu this year.</p> <p>Kids vaccines are slow and taking slightly longer than the allocated time to vaccinate.</p> <p>CPE are looking for recompense.</p> <p>If anyone has lost patients because of vaccines, please feedback to CPE.</p> <p>GP understanding of Covid cohort is poor.</p> <p>The situation calmed a little after the article on Look North.</p>	
<p>12.</p>	<p>Control of Entry/Exit & PCSE</p> <p>As Appendix.</p>	
<p>13.</p>	<p>AOB</p> <p><u>Careers event.</u> JW and LMc had attended a school careers evening. Reports of lack of engagement and left feeling de-moralised following the event.</p> <p>Worth attending one further event and then a decision over the future of these types of events. Perhaps having younger/part time staff may be more engaging to some.</p> <p><u>Beverley PCN</u> AA informed the meeting of a cancer awareness day in Beverley which included dermatology, Pharmacy and GP.</p> <p><u>Med's shortage platform</u> Currently analysing the figures and will share once done.</p> <p><u>LPC meeting venue</u> The meeting briefly discussed holding an LPC meeting on the Southbank. TAF has a possible venue and will investigate costs and share with JDC.</p> <p><u>Prescribing services</u> BARS (booking and referral services) is now available. ADA has switched on and feels this works very well. There is a tool which can help. BARS is the bridge between GP and Pharmacy.</p> <p><u>Conifer House</u> Discussion over conifer house and appointments not being offered but referring into Community Pharmacy instead. The meeting showed concern. HP to share some contact and information.</p>
