

Preparing for Independent Prescribing (IP)

Humber LPC invites you to their Annual General Meeting (AGM) and training event with a focus on:

Independent Prescribing

- How to embark on your journey towards becoming an IP
- What you need to consider to make the journey as smooth as possible
- Finding and working effectively with a Designated Prescribing Practitioner (DPP)
- Opportunities to use your IP qualification in a Community Pharmacy setting
- Becoming a DPP to support IP workforce development

This event will also cover:

Integrating Pharmacy services into your daily practice

Whether you are intending to develop your role towards independent prescribing or not, there are many opportunities for Community Pharmacies to enhance their clinical services.

You can play your part in improving the health of individuals and the communities you serve, improve access to care and support, reducing health inequalities, whilst generating Income for your Pharmacy.

- Are you maximising the opportunities available to you?
- Are you aware of, and using, all the tools available to improve your BAU capacity and embed services efficiently & profitably into daily practice?

Date: Wednesday, the 16th of September 2026

Venue: City of Culture Suite, Mercure Hull Grange Park Hotel, Grange Park Lane, Willerby, Hull HU10 6EB

Time: Food from 6.30pm for a 7pm start
