

# Meningococcal B Vaccination Service

## Latest FREE\* Online Course

### Book a MenB vaccination appointment

You can use this service if you're 17 to 18 years old and born between 1 September 2007 and 31 August 2008. You must be registered with a GP surgery in England.

Find out [how to register with a GP surgery](#) if you are not registered.

You can also use a walk-in service if you are not registered with a GP surgery.

The MenB vaccine is given in 2 doses, which need to be at least 4 weeks apart. Book your 2nd dose after you've had your 1st dose.

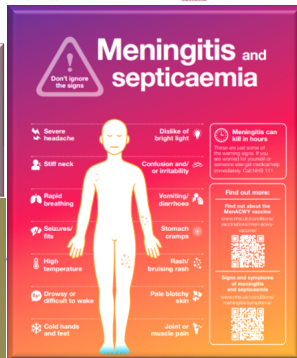

Service opens on 13 July 2026

Online booking will be available from Monday 13 July 2025 for people born between 1 September 2007 and 31 August 2008.

The doses must be given at least four weeks apart for maximum protection.

Ideally  
17 First dose in July  
17 Second dose in August

Do you know the **all individuals** within the current **year 13** DOB range **are eligible** regardless of whether they are going to attend further education or not?

Do you know **what training** your registered professionals need to **complete**?

Do you know you **need to provide** the needles for the vaccine?

This training will answer **all** these questions and more.
